Caterpillars

We have Caterpillars! Fifteen little guys have joined our daycare so we can learn by watching them turn in to beautiful butterflies!

We have placed some in each room so if you have a minute, please go check them out! Once they have hatched, we will release them into the wild.

Summer Vacation

Going on vacation? We will soon be handing out a letter to make note of the times you will be away this summer. This will help us to coordinate our staff summer schedules as well as departure and start dates.

Storypark

We are beginning to introduce a new online portfolio called Storypark. This is an easy to use web based tool that allows educators and families to share the learning that takes place during their child's day! We are currently trying it out with a few families but hoping to have it up and running by the fall of 2016. Keep an eye out!
